

2007 - Sunseeker Manhattan 60

Price: 535,000 inc vat

Description:

This 2007 Sunseeker Manhattan 60 is a very good example of the marque and priced to be the best value available on the market.

As can be seen from the photographs, she has been tastefully designed with excellent choices of quality soft furnishings and wood finishes. She has a full Mediterranean specification with an extensive list of extras. The Manhattan 60 is designed to offer an optimum use of space for a family to live aboard in luxury and comfort. The hull design and tunnel shaft system provides performance and outstanding sea handling and manoeuvrability.

This Manhattan 60 is in 'as new' condition, and has got to be the best value 20m Flybridge Yacht available
